### Why use original KYB oil only?

Over the years, Kayaba has been developing high quality oil for their suspensions. The oil viscosity, thermal capacity and additives have been specifically selected to obtain maximum performance. The Genuine Kayaba oil is widely used in development, testing, standard production and factory race teams. Oil quality has a major effect on the way suspensions operate. The specifications mostly affects friction, oil flow, heat dispersion and lubrication. All KYB suspensions are being developed from the beginning to be used with the original KYB oil. Only by using the original KYB oil, you have the guarantee that your suspension will perform the way they are meant to be.
